About This Game

Dizzy Hearts is a mature visual novel. With some parts romance, comedy and drama. A story of royalty, and social status, with themes of duty, and gender, and a coming of age.

Set in a world split between eternal day, and eternal night. The naive but energetic Seriva sets out on a journey of adulthood in the tradition of her peoples, the subterranean 'Assard'. venturing to the lands of eternal night, where she discovers the city of Lungarde.

In the kingdom of elves, she has learned that travelers are not that rare in this region. Although they know of foreigners, Seriva is ignorant to their culture, to the cycle of royal lineage and the rare and mysterious 'fiore' (the hermaphroditic sire to the elven people). Rumor has it that Queen Llend has chosen her successor among the four fiore princesses, and is soon to abdicate, it turns out Seriva may have just stumbled right into the middle of everything!
